## **DETAILED ACTION**

### ***Response to Amendment***

The Request for continued Examination, filed on 05/01/09, has been entered and acknowledged by the Examiner. Claims 1-2, 4-6, 9-11, 14, 19-18, 20-22, 25-27, 30 and 32-33 are pending. Claims 1, 17 and 33 are independent claims.

### ***Allowable Subject Matter***

Claims 1-2, 4-6, 9-11, 14, 16-18, 20-22, 25-27, 30 and 32-33 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 17 and 33, when considered as a whole, are allowable over the prior art of record. Specifically, prior art of record fail to clearly teach or fairly suggest the combination of followings:

determining which subscribers of the plurality of subscribers have an active connection to the broker and informing subscribers determined to have an active connection to the broker to set a timer to run for less than a predetermined amount, wherein the subscribers of the plurality of subscribers that are determined to have an active connection to the broker send an indication of liveness at expiry of their timer;

a first subscriber of the plurality of subscribers including a liveness indicator for indicating liveness to the broker, the liveness indicator comprising: designating the first subscriber of the plurality of subscribers to register interest in a topic as a primary subscriber and informing the primary subscriber that the

Art Unit: 2163

primary subscriber is responsible for periodically indicating liveness to the broker, wherein the indicating liveness to the broker is sent over a live connection;

responsive to expiry of the timer, for sending subscriber to send a third indication of liveness from the primary subscriber to the broker wherein at least one of the first indication of liveness, the second indication of liveness, and the third indication of liveness is piggybacked onto another message.

The dependent claims further add limitations to the allowable subject matter of the corresponding independent claims; thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
